

Crossfire

Bio:

Crossfire is a versatile four-piece band boasting an impressive arsenal of popular song selections and an accomplished stage presence. Though this band only has four members don't be fooled; boasting four part harmonies, three lead singers, and multi-instrumentalists at each performance, Crossfire creates a much larger sound than the typical four-piece band. The band specializes in all forms of popular music with roots in Classic Rock, Funk, Dance and a dash of Country. Crossfire was formed in 2004 and they have developed a large following over the years.

Members:

Larry - Lead Vocals / Keys/Guitar

Wayne - Lead Guitar / Keyboards/Vocals

Scott - Bass Guitar/Uke / Vocals

Kevin – Drums and Percussion/Vocals

Equipment:

We have professional, cutting edge high quality PA equipment consisting of Shure, AKG, Yamaha, Peavey, Alesis, JBL and Yorkville components. Any venue or event that does not have house sound available, we will provide a professional sound system and LED Stage Lighting.

The Fenton Newspaper:

OUR FAB FOUR

By Kevin Rodell

Local band Crossfire offers fresh doses of energy and fun. Their musical range covers rock and pop songs from the '60s to now. Since 2004 the group has performed at many area events, including street fests, picnics, nightclubs and parties. Over the past couple years Crossfire played on opening night of the St. Charles County Fair and The Town & Country Fair in Washington, MO opening for the Smash Band and Third Eye Blind. This variety party band consists of 4 talented musician/singers featuring many examples of 3 and 4 part harmonies. Their high energy dance oriented rock and pop performances keep the crowds cheering and dancing throughout a roller coaster ride of Rock, Pop, Motown and Current Top 40 tunes.

To experience what it means to party and have fun, catch one of Crossfire's upcoming shows. Check out their schedule.
